 A 3D perspective view of a decorative molding profile (CM2). It features a series of horizontal, slightly curved ridges. A vertical dimension line on the right indicates a height of 2-1/2". <i>*For reference only*</i>	 A 3D perspective view of a decorative molding profile (CM5). It has a more complex, multi-faceted design with a central recessed area. A vertical dimension line on the right indicates a height of 4-1/2". <i>*For reference only*</i>
CM2	CM5
 A 3D perspective view of a rectangular panel (DBEP24). It has a simple, multi-layered frame. Two dimension lines are shown: one for the width (23-3/4") and one for the height (28-5/8"). <i>*For reference only*</i>	 A 3D perspective view of a rectangular panel (DWEP1230/ DWEP1236/ DWEP1242). It features a more ornate frame with vertical fluting. Two dimension lines are shown: one for the width (11-3/4") and one for the height, which has three possible values: 28-5/8", 34-5/8", and 40-5/8". <i>*For reference only*</i>
